

# Comprehensive summer review of pupil work

*Gain key insights into curriculum implementation and impact*

## Why Conduct a Summer Review?

An in-depth summer review provides an unparalleled opportunity to gather and analyse pupil work spanning September to July, covering all classes, subjects, and year groups. This extensive review enables headteachers to understand the journey pupils make across a year group and a key stage. As well as providing a comprehensive insight into the strengths and areas for development for each subject, this holistic view enables leaders to see how all elements come together to shape the pupil experience of the curriculum. The reports, photographs, and presentation combine the results of the pupil work review with Vicky Crane's expert advice, ensuring leaders can capitalise on the outcomes.

### Benefits for Your School:

- **Celebrate Successes:** Recognise and celebrate the achievements of your pupils and teachers, fostering a culture of excellence and motivation.
- **Pinpoint Opportunities:** Identify high leverage areas for development, ensuring targeted and effective improvements.
- **Teacher impact:** Analyse the impact of teaching strategies on pupil progress and learning outcomes.
- **Informed Leadership:** Empower headteachers with detailed knowledge of pupils' journeys through the academic year and across key stages.
- **Professional Dialogue:** Pave the way for meaningful professional discussions with subject leaders.
- **Identify Patterns and Barriers:** Spot patterns, identify barriers to progress, and devise strategies to overcome them.
- **Key aspects:** Sequencing, choice of tasks, coverage, depth, levels of independence, balance across subjects, pupils' ability to communicate their learning, development of skills and knowledge, expectations and standards achieved.

*Headteacher: "I found the process so useful. It is some of the best CPD I've had for a long time and it helped me to be really clear about next steps etc. It was lovely to work with you as it is always."*

*"I just wanted to say a huge thank you as the work you did with the school supported us so much. The curriculum came out as a real strength!" A primary headteacher from a school achieving outstanding in a recent Ofsted inspection.*

*"It was incredibly useful for SLT to work with you today on the outcomes of the review. We are excited to get our teeth into developing the curriculum."
