

IN-HOUSE TRAINING PROGRAMMES FOR TEACHERS

*“
You have inspired the
whole staff and this is
just what we needed
to kick start the year.
”*

Our training is designed to perfectly suit your school's needs, from a single session to a year-long programme of development, and from small groups to large events. Sessions are designed to inspire colleagues; ensuring they are confident to try new ideas and motivated to improve standards. Teachers tell us how they have significantly benefited from reflecting on their practice and developing a deeper understanding of teaching and learning. With practical resources to kick start implementation, improving practice starts immediately.

“I just wanted to say a huge thank you for Friday – I am excited about getting my teeth into the curriculum and changing it for the better.”

“Fabulous resources, good themes for group discussions, lots of opportunities to share ideas and a variety of learning tools.”

“Wow! Superb – brilliant ideas that I can use straight away in class.”

Popular in-house training programmes for teachers:

- Closing the gap for disadvantaged pupils (at classroom level/at leadership level)
- Developing reading comprehension and using a whole class text
- Non-fiction reading/ non-fiction writing
- Unpacking the complexities of teaching writing
- Marking, feedback and post-production activities
- Metacognition
- Growth Mindsets
- Using the power of questions and successful talk in the classroom

“Excellent variety of resources and ideas that I can't wait to try out.”

IN-HOUSE TRAINING PROGRAMMES FOR LEADERS

Our leadership training makes you stop, think and act differently.

Think outside the box and work with us to develop your own leadership programmes.

- Strategic leadership and facilitated SLT sessions, e.g. planning for the year ahead, reviewing the development plan, mid-year reflection activities, data analysis.
- Senior leadership team training programmes – on-site or off-site sessions designed to fit the needs of your team.
- Support for specific aspects of leadership, e.g. team work, increasing the impact of lesson observations and school self-reflection activities, tackling complex work relationships, holding others to account.
- Curriculum development – support for leaders who are reviewing the curriculum.
- Undertaking teaching and learning review activities with middle leaders to support their leadership development.
- Middle leadership training programmes

“
Every session has been immensely useful.
